## **Client Consent and Disclosure for Spiritual Counseling, Clairvoyant Reading and Energy Healing Sessions**

I, Claire Niemiste, provide Spiritual Counseling, Clairvoyant Readings and Energy Healings. I received my foundational training as a clairvoyant and healer at Aesclepiion Healing Center in San Rafael, California. I completed The Intuitive Training Program and Graduate Program at Intuitive Way Center for Intuitive Training in Walnut Creek, California. I have been in private practice as a Clairvoyant and Energy Healer since 2012.

The purpose of a counseling session is to offer spiritual insight, information, guidance and support, to gain more clarity and to enhance your spiritual awareness. The purpose of a reading session is to offer spiritual insight, information and guidance based on the disposition of the energy systems within and around the physical body. The purpose of an energy healing is to use various grounding and clearing techniques to assist in the alignment of the energies of the spirit and body, which can support an overall sense of health and well-being. The energy of past experiences, emotions, and patterns often contribute to our difficulties in particular areas of our lives. Understanding and clearing specific energies can help us gain a greater sense of awareness, empowerment and vitality in our everyday lives.

Spiritual Counseling, Clairvoyant Reading and Energy Healing are not medically certified. They are considered complimentary or alternative healing arts services that are not licensed by the state of California. I am not a licensed physician.

If you experience any discomfort that you believe is a result of a counseling session, a clairvoyant reading or an energy healing, please communicate this to the practitioner. It is your responsibility to communicate with the practitioner if the session feels incomplete. Some issues may require additional private consultations or sessions or a referral to another health care practitioner.
